

THE NEXT STAGE OF INNOVATION

TECMIC introduce a Robot System to the mattress industry as a suggestion to the next stage of innovation in the interzum 2017.

This Robot System demonstrates three functions as example.

1. C-ring to frame and pocket spring unit.
2. Hook ring to frame and bonnell unit.
3. Hotmelt adhesive application to foam and unit.

Japan Made

Matsushita Industrial Co., Ltd.

Address: 7-1-24, Uehonmachi, Tennoji-ku, Osaka, Japan, Post code: 543-0001
